OUR HEALING WEBSITES
MiscarriageHurts.com
+ AbortionChangesYou.com

These sites offer an invitation for men, women, family members and friends to begin the healing journey and to find support in grief.

SAFE PLACE APP
The Safe Place App is a mobile tool to equip community leaders, staff, volunteers, family members and friends to help anyone experiencing difficulty after miscarriage or abortion. It provides tips on how to effectively support those who have been impacted by reproductive loss and offers a variety of interactive content.

RESERVE YOUR PLACE TODAY!
Please contact Katie Geppert at Katie@LifePerspectives.com or call her at (619) 501-9414 to schedule a training for your organization, or to answer any of your queries. You can also visit LifePerspectives.com/training for further information.

“Life Perspectives is the standard for reproductive grief care.”
Dr. Aaron Kheriaty
Associate Professor of Psychiatry
UC Irvine School of Medicine

TRAINING OPPORTUNITIES
For health care professionals, universities and social service agencies

LIFE PERSPECTIVES
2535 Camino del Rio S Suite 350, San Diego, CA 92108
(619) 501-9414 | www.LifePerspectives.com/training
Life Perspectives is a worldwide outreach that equips leaders with training and healing resources and invites men, women, family members, and friends who have been impacted by reproductive loss to begin healing.

We offer a wide range of training opportunities for individuals and organizations committed to fostering a culture of hope and healing. These programs explore grief and loss after miscarriage and abortion, as well as other reproductive losses. Training equips leaders with knowledge and practical tools to help men and women know they are not alone and that there is a safe place for them to heal.

“We feel it’s important for our staff to have Life Perspectives’ training to better respond and support clients. This allows us to reach them on a new level, leading them to a place where healing can begin.”

Michelle Freitas, Haven of Hope, San Diego Rescue Mission

**REPRODUCTIVE GRIEF CARE TRAINING**

One in four pregnancies ends in miscarriage and one in four women in the US will have an abortion by the age of 45. Although these losses occur very differently, the grief experience is similar and affects men, women, family members, and friends. With our unique Reproductive Grief Care Training, you can bring hope and healing to hurting people who may be suffering alone.

**TRAINING WILL:**

- Broaden your understanding of grief and loss after miscarriage and abortion.
- Provide you with essential knowledge and empathetic listening skills.
- Help you explore how to be a safe place for hurting men and women, and provide healing resources to support those in your community.

**MEDICAL IN-SERVICE**

Health care professionals are in a unique position to offer compassionate support and provide healing resources to their patients. Our 60-90 minute medical in-service will broaden your understanding of reproductive loss, introduce you to best practices, and equip you to enhance patient care.

**IN-SERVICE WILL COVER:**

- Reproductive loss in-take
- Compassionate response
- Effective support referrals

**CONTINUING EDUCATION TRAINING FOR YOUR PRACTICE**

Life Perspectives is approved by the National Association of Social Workers and California Association of Marriage and Family Therapists to grant continuing education units for LMFTs, LCSWs, LPCCs, and LEPs, and maintains responsibility for this program and its content.
